Super Small Body  
Exterior Design

Run  
Smoothly

High Efficiency And  
Low Consumption

Fast Heat  
Dissipation

2.4g/5g  
Dual  
Frequency Wifi

Rich  
Applications

Rich  
Interface

Support  
wall Mounted

#### Simple appearance Powerful inside-

Simple and stylish appearance design, rich interfaces, unlocking more posture, to meet your diverse needs of your daily life ,you can quickly disassemble the base, support wall – mounted, flexible and convenient, built – in 2.4G & 5G dual – frequency WIFI high gain double antenna chip network card, strong signal, fast network speed, farewell to the bondage of the network cable ,automatically connect to the network with in 15 meters, travel to the network as you want.

#### Droppling is silent , but it is not broken-

Use built – in copper tube heat conduction+turbine silent fan+ all aluminium heat sink forced heat dissipation technology, cooling heat dissipation BIUBIUBIU, better refrigeration, faster heat dissipation significantly reduced the operating temperature of all –in –one machines , not easy to heat up. No crashed blue screen , improve the computer life, and give you a better and better and high experience. Use a high speed SSD solid- state hard drive quickly power on, access data instantly, refuse to stuck.

#### Solid state hard disk speed up power on-

Large capacity high speed SSD hard disk configuration, fast running speed one step, application loading less waiting for the desire, the software startup speed increases significantly.

#### Support wall mounted-

The bottom has a wall hanging hole , and the wall hanging is installed behind the computer display or some special locations, which saves space.

### Tiny Pc Specifications

<b>Model</b>	SH-H310T
<b>Motherboard</b>	Intel Chipset
<b>CPU</b>	I5 – 8250u
<b>Memory Storage Capacity</b>	Upto 32gb
<b>External Storage</b>	Msata/ M.2 SSD Upto 2TB
<b>Lan</b>	Gigabit Network Card Integration 100/1000m RJ45*1
<b>Power Adapter</b>	12 V/19v Power Adapter
<b>Graphics Card</b>	Intergrated Gpu
<b>Support Resolution</b>	1920*1080p
<b>Audio Interface</b>	Audio Out*1 Mic*1
<b>USB Interface</b>	USB2.0*4/Usb3.0*2
<b>Output Display</b>	HDMI*1 VGA*1
<b>Color</b>	Black/White
<b>Vesa</b>	75*75/100*100
<b>Dimensions</b>	205mm*190mm*60mm
<b>Gross Weight</b>	1.5kg
