OVERVIEW

This exquisite 2003 Malibu Wakesetter 21 VLX, designed for water skiing, wakeboarding, and wake surfing, is now available for yacht sale near the stunning Norris Lake in Tennessee. Powered by a robust 5.7L Monsoon 335HP V8 EFI Inboard V-Drive Engine, this vessel boasts advanced features such as the PerfectPass Wakeboard Pro Speed/Cruise Control, a stylish Swoop Tower with an Over-the-Tower Bimini Top, and two WetSounds Tower Speakers complemented by two board racks. The Malibu Launch System (MLS) is enhanced with four ballast bags (not visible in the video tour) and the Malibu Wedge, which, when fully deployed, provides an impressive 1,900 lbs of ballast for wakeboarding—perfect for those looking to buy a yacht that excels in performance (consider adding an aftermarket Surf Tab for wake surfing)!

For onboard entertainment, a Dual AM/FM/Bluetooth/USB/Aux-Input Stereo system delivers high-quality sound through three cockpit speakers, two tower speakers, and a Kicker subwoofer, all powered by Kicker KX and Massive Edge E2 amplifiers. This freshwater Malibu Wakesetter VLX also features a Bow Filler Cushion, a Bow Walk-Thru Windblock, a Bolster Driver Seat, a Tilt Steering Wheel, a Depth Finder, and an Air/Water Temperature Display. Additional amenities include dual batteries, dual fuel fills, a removable lounge table (not shown in the video tour), a Ski Tow Pylon, and a tandem axle trailer equipped with brakes, drive-on guides, and a swing tongue. Discover the luxury of yacht sales in the current boat location and elevate your water adventures with this remarkable vessel!
