OVERVIEW

Exceptional Offer: Sea Ray 400 Sedan Bridge – Completely Revamped and Pristine!

Discover the allure of this meticulously preserved Sea Ray 400 Sedan Bridge, a true treasure in the world of yachts for sale. With just two owners and a thorough refurbishment recently finalized, this vessel has been lovingly maintained throughout its existence. From the engine room to the bilges, interior, and exterior finish, every aspect gleams as if it just rolled off the production line.

Originally crafted for a Sea Ray executive, no detail was overlooked in its creation. The superior quality is apparent the moment you step aboard. Having spent most of its life in freshwater, it was only relocated to Florida last year. Following a \$400K overhaul, the current owner has added a mere 100 hours to the engines.

Spanning 40 feet, the Sea Ray 400 Sedan Bridge boasts a generous 2-stateroom, 2-head configuration, ideal for everything from leisurely sandbar outings to adventurous Bahama excursions. Whether cruising or hosting, this yacht navigates every occasion with grace and sophistication.

The dedicated owner maintains an open checkbook policy, ensuring every enhancement and maintenance task is executed to the highest standards. A comprehensive collection of over 1,000 photos documenting the refit is available for prospective buyers. This yacht is ready for immediate enjoyment, in impeccable condition, and will excel in any inspection or survey. If you're looking to buy a yacht, this is an opportunity not to be missed.
