OVERVIEW

1955 Colin Archer 42

Introducing the exquisite 1955 Colin Archer Design 42, a true gem hailing from Norway. This all-wood masterpiece boasts a recent survey that highlights its impeccable condition. The current owner has dedicated over \$200,000 to her restoration, ensuring that this trawler is not only romantic and charming but also seaworthy and ready for adventure.

Powered by a single Perkins T6.354M turbocharged diesel engine, this yacht is an efficient cruiser, equipped with two fuel tanks that hold a total of 400 gallons. The electronics have been recently upgraded, featuring a Simrad multi-function display and radar for seamless navigation. Additionally, she comes with an autopilot (Simrad AP44) and a Raymarine i40 depth sounder. A Magnum inverter and eight 6V batteries ensure you have all the power you need while out at sea.

Below deck, the accommodations are equally enchanting. Rounded doorways lead to two staterooms—one located at the bow and the other on the starboard side—both furnished with spacious double berths. The galley offers ample cooking space, complete with a medium-sized fridge/freezer combo, microwave, and gas range. Just forward of the galley, you'll find a dedicated workspace/chart desk. The head features a generous shower stall and plenty of storage for your essentials.

Returning to the pilothouse, you'll discover a large circular dinette that showcases breathtaking views through the rounded aft wall. With comfortable seating for seven or eight, it's the perfect spot to enjoy a delightful dinner while anchored. With a 200-gallon fresh water tank, you can relish many nights off the grid.

On the bow, you'll find two anchor roller brackets and an Ideal anchor windlass, complemented by working lights that illuminate the forward deck.

This yacht for sale is a remarkable opportunity for anyone looking to buy a yacht in the current boat location, making it a standout choice in yacht sales in the area. Don't miss your chance to own this stunning vessel!
