The PRESTIGE 750 is a masterpiece of French craftsmanship, advanced technology, and Italian elegance, featuring a distinctive design. Created by the Garroni design studio and the PRESTIGE design team, this 75-foot motor yacht redefines traditional design norms, delivering exceptional comfort and a modern aesthetic.

This luxury yacht is crafted for ultimate enjoyment at sea, whether cruising open waters or anchored, with expansive deck spaces, including a generous cockpit and a vast flybridge terrace. The forward main deck owner's suite is a serene, private retreat with exclusive access, a spacious walk-in closet, a large desk, and a separate head and shower area.

Luxurious living areas, seamless deck movement, superb sea handling, and the signature PRESTIGE style...

Featuring four staterooms, including a rare main-deck master suite for a yacht of this size, three heads, plus a crew quarter for two with ensuite. The full-beam VIP suite rivals the master on most yachts of this size!

Equipped with Seakeeper 8 Gyro, Watermaker, full-size Washer/Dryer, Bauer Scuba tank dive compressor/fill system with self-draining capabilities, and all hoses and accessories. The flybridge includes an Icemaker, grill, and refrigerator, with an additional ice maker in the cockpit, a drinks locker in the saloon, and a wine fridge for 24 bottles of your favorite wine! Additional electric canopy on the aft flybridge and electric sunshade in the cockpit.

With only 1,500 hours on the MAN 1200 engines, this yacht has been meticulously and professionally maintained as a freshwater vessel from

2015-2023.

OCEANA has recently undergone a significant refit/upgrade (over \$250K invested) and is ready to set sail. This yacht is truly TURN-KEY, with all major engine services (MAN M1-M5 and A Services) completed in July 2024, along with new shafts, props, and bottom paint also completed in July 2024. All new exterior upholstery, covers, and window screens, along with upgraded navigation electronics featuring Raymarine Axiom 16 XL's. The addition of an exterior sound system with Fusion Apollo and JL Audio speakers, amps, and subwoofers makes this vessel a dream for both new and seasoned yacht enthusiasts.

Current Boat Location: Available for viewing and yacht sales inquiries.
