OVERVIEW

With just 330 hours on her upgraded, more powerful 725 HP Volvo engines, "ADDI J" distinguishes herself among similar yachts. These enhanced engines not only boost her speed but also offer greater fuel efficiency when cruising at the pace of smaller engines.

Until November 2022, "ADDI J" was sheltered in a covered slip on a freshwater lake in Texas. Since then, she has been located on Florida's West Coast. Now available for purchase as the owner steps back from managing a vessel of this size, "ADDI J" is a beautifully equipped 54 Cantius, genuinely on the market for yacht sales in the current boat location.

The seller is open to trading for a newer model yacht and is also willing to consider various real estate exchanges. If you're looking to buy a yacht, this is an opportunity not to be missed.

SPECIFICATIONS
