OVERVIEW

The Galeon 550 Fly is an exceptionally well-designed motor yacht that boasts a smart layout and a hull that gracefully navigates the seas, rivaling many larger flybridge motor yachts available today. The expansive flybridge and aft deck provide generous space for a 55-foot vessel, while the lower deck is among the most roomy in its category. This yacht continues to impress with its bright and airy interior, thanks to the large windows that illuminate every area, from the cabins to the main deck. A standout feature of the 550 Fly is its innovative "astern" galley. Every aspect of the Galeon 550 Fly reflects meticulous craftsmanship, merging traditional artisan skills with cutting-edge boat-building technology.

The main deck is equipped with a galley, a helm station for two, twin sofas, and a dining area that accommodates an impressive eight guests. Below deck, three spacious cabins provide six berths and ample storage for all your belongings. The forward VIP cabin includes an en suite bathroom, while the owner's cabin features a make-up station and a cozy lounge area. Both bathrooms are fitted with separate shower stalls, and the guest cabin cleverly incorporates twin sliding beds. Each living space ensures privacy and generous headroom. At the rear, there is a cabin with two single berths and a shower, perfect for crew or additional guests, and it also serves as a delightful cabana.

The remarkably spacious flybridge is destined to be the focal point of your gatherings, featuring a large sun pad, a functional bar area, and a dining table that seats eight. With a full-length Bimini top, there's plenty of shade to enjoy. The aft cockpit and saloon are seamlessly connected through a flush saloon door threshold and doors that fold completely away.

The Galeon 550 Fly is sure to captivate with its striking features and sophisticated interior design. The thoughtful layout maximizes space across all three decks while exuding elegance and charm.

On the exterior, the spacious flybridge is bound to be the highlight, featuring a large sun deck, a practical bar area, and a dining table for eight. The aft cockpit and saloon are separated by a retractable glass door, sharing a convenient wet bar area.

The yacht's low center of gravity, combined with premium engine options, ensures impressive performance in various conditions, while the optional extended hydraulic platform is perfect for stowing water toys. You can choose between crew quarters for two or a sizable garage to keep your pontoon discreetly stored. Expansive side and hull windows guarantee that all cabins are bathed in natural light and provide excellent visibility for the captain.

The main deck includes a galley, a helm station for two, twin sofas, and a dining area that comfortably seats eight. A variety of custom interior design options are available, featuring exquisite fabrics and natural hardwoods. Below deck, three generously sized cabins offer six berths and ample storage for luggage and essentials.

The forward VIP cabin comes with an en suite bathroom, while the owner's cabin is equipped with a make-up station and a comfortable chaise lounge.

Both bathrooms feature separate shower stalls, and the guest cabin cleverly incorporates twin sliding beds. All living quarters provide privacy and ample headroom, making this yacht an exceptional choice for those looking to buy a yacht in the current boat location.
