OVERVIEW

On AUGUST 19, 1961, Mr. Alden Sypher from Washington DC finalized a contract for an exquisite MATTHEWS 42' DOUBLE CABIN MOTORYACHT. This custom-built vessel, designated as 24033, was equipped with the most powerful engines available at the time, the GM 6V53 engines delivering an impressive 185 hp. Over the next nine months, meticulous planning, design, and customization led to the creation of a stunning mahogany motor yacht named ANDIAMO. Mr. Sypher invested \$623,791 in today's currency for this remarkable yacht.

For three years, ANDIAMO navigated the waters of the Chesapeake and the Eastern seaboard with the Sypher family before being sold to her next discerning owner in 1965. The current custodian, now the seventh owner, is even more meticulous than the previous ones. ANDIAMO has proudly retained her original name since her launch. Since 1999, the current owner has showered her with care and investment, ensuring she remains in pristine condition. To enhance her longevity, she has been professionally fiberglassed, and a custom aft deck top has been added.

ANDIAMO has garnered accolades at various classic boat shows and is poised to continue impressing future owners. This stunning yacht will be showcased at the BILLY CREEL MEMORIAL GULF COAST WOODEN & CLASSIC BOAT SHOW on MAY 17 and 18. Don't miss the opportunity to witness this exquisite representation of American maritime heritage.

It has been requested that she continue her legacy as the Queen of the Fleet under her original name, ANDIAMO. If you are considering a yacht for sale in the current boat location, this is a unique opportunity to buy a yacht that embodies elegance and history. Explore yacht sales in the current boat location and discover the charm of owning a piece of maritime artistry.
