OVERVIEW

The 55c stands out as one of the most popular models produced by Viking, first launched in 1997, with a remarkable total of 111 units crafted over a six-year period. This yacht strikes the perfect balance in size, offering exceptional performance alongside a superbly designed hull, making it a reliable choice for fishing even in challenging swells.

Currently, "DAVINAKI" has been cherished by her present owner for the past two years, during which she enjoyed a delightful year in Greece. Throughout her journey, she has undergone significant enhancements, including state-of-the-art Garmin electronics and REBUILT engines. Priced competitively, she is backed by a highly motivated seller who is open to CONSIDERING ALL OFFERS. Experience firsthand how this 55c not only surpasses her rivals but also distinguishes herself in the yacht sales market in the current boat location. Whether you're looking to buy a yacht or simply explore your options, this vessel is a must-see.
