# OVERVIEW

---

Motivated Seller!

The MJM 50z stands out as one of the most adaptable yachts ever crafted, combining speed, minimal upkeep, and user-friendliness for both day trips and coastal exploration. Its spacious accommodations, efficiency, and seaworthiness make it an exceptional choice for long-distance cruising. While perfection in a yacht may be elusive, the 50z comes remarkably close. The MJM brand is synonymous with outstanding design and construction quality, all without the fussiness often found in other vessels.

Highlander is a meticulously cared-for, single-owner yacht that has only seen summer use in New England, consistently stored at the same boatyard and serviced by the same mechanic throughout its life. This winter, the IPS service was completed along with all routine maintenance. Highlander is currently docked and primed for your late summer and fall cruising adventures. The owner has just wrapped up his final cruise of the season and is transitioning to a larger yacht.

Key features include:

ISO certified Category A Ocean

Triple Volvo IPS 600s - offering a remarkable 340nm range at 34 knots and 450nm range at 27 knots!
