## Overview

---

The vision behind Katina emerged from a passion to design a yacht that epitomizes sophistication, luxury, and state-of-the-art innovation. In a remarkable collaboration, Brodosplit joined forces with esteemed interior designer Ali Getz and naval architect Boris Zanko to transform this dream into reality. The outcome is a stunning vessel that captures the quintessence of elegance and grandeur.

With a beam of 10.68 m, a draught of 2.9 m, and a volume of 1,212 GT, Katina stands as a true marvel on the water. Her robust hull and superstructure are crafted from steel, while the wheelhouse showcases an aluminum alloy, ensuring both durability and style.

Upon boarding Katina, you are enveloped in an ambiance of refined luxury and charm. The exterior boasts a classic elegance, featuring sleek contours that command attention on the waves.

Inside, the yacht reveals a harmonious blend of dark and light elements, showcasing satin-finished oak and high-gloss walnut woods, complemented by sumptuous fabrics in soft cream tones and exquisite leather accents.

Katina accommodates up to 12 guests in unparalleled comfort, spread across six generously sized cabins, including two Master suites with king-size beds and four additional cabins with queen-size beds, each providing a serene retreat for relaxation.

An elevator connects all decks, allowing for effortless navigation throughout the yacht's various levels.

On the main deck, a whisky and cigar bar awaits, alongside a spacious gym equipped with cutting-edge fitness machines and a sauna. The sundeck features an expansive alfresco dining area, two bars, and a luxurious Jacuzzi, perfect for unwinding under the sun.

Beyond its stunning aesthetics and lavish interiors, Katina is powered by two formidable 1350hp Cummins engines, delivering exceptional performance on the water.

When assessing the value of a super yacht, interior volume plays a crucial role. Katina offers an outstanding price per ton within her category, making her an exceptional investment. This yacht for sale represents a remarkable opportunity for those looking to buy a yacht ideal for corporate gatherings and exclusive retreats, with the capacity to host up to 150 guests on board. In the realm of luxury yacht sales in the current boat location, few vessels capture the admiration and allure of enthusiasts quite like the super yacht Katina.
