OVERVIEW

New Arrival!

Custom! Custom! Custom!

Introducing Kindred Spirit, a stunning Morgan 43' yacht featuring numerous bespoke enhancements, including a 1.5' Sugar Scoop Transom. The Master Suite has been thoughtfully reimagined to include a Full Island Berth along with additional storage solutions. An opening port above the headboard was incorporated during the stern conversion, enhancing both light and ventilation. The upgraded transom significantly improves dinghy access, making it safer and more convenient. The custom Aft Arch is designed to support a dinghy, flagstaff, and includes a dedicated dinghy light for nighttime illumination of the Sugar Scoop.

The cockpit boasts a custom Hard Top with a full enclosure, providing comfort and protection while also accommodating solar panels. The Main traveler is positioned on the aft cabin top, with all lines leading back to the cockpit for effortless handling.

On the mechanical side, this yacht for sale is powered by a Yanmar 44hp diesel engine and features a Westerbeke 6.0 KW generator, along with upgraded batteries. It comes equipped with all new electronics, including Radar, Chart Plotter, and Auto Pilot. Having undergone meticulous maintenance and nearly \$75K in upgrades, this cruiser is primed for its next journey, although it may benefit from some minor cosmetic refinements.
