OVERVIEW

This robust single-cabin cruiser is an ideal option for a couple looking to enjoy comfort and functionality on the water. Access is straightforward via the cockpit or the pilothouse doors on both the port and starboard sides. Inside, the inviting saloon greets you with a watertight door, carpeted flooring, an L-shaped settee with a table on the port side, and a fully-equipped L-shaped galley on the starboard side. Ascend to the pilothouse to discover a spacious captain's bench, a separate seat for the mate, a three-panel windshield with wipers, a navigation station, and easy access to the engine room through the floor.

Descending four steps forward, the master stateroom features a centerline queen bed, hanging lockers, built-in drawers, an overhead hatch, and a private ensuite bathroom with a vanity and stall shower. Outside, the cockpit boasts a partial hardtop extension, molded steps leading to narrow walkaround decks, and a ladder to the upper deck. The nonskid fiberglass decks ensure secure footing throughout. The elevated foredeck offers additional seating and dual storage lockers, with stainless steel rails and stanchions providing safety all around.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that perfectly blends luxury and practicality.
