OVERVIEW

This is an exceptional opportunity to own a yacht that has been meticulously cared for by its Swiss owner. Initially crafted as a showcase by a Princess dealer, this vessel highlights the finest options and materials available in this model.

Experience unparalleled navigation, as demonstrated in our walkthrough video with drone footage. The yacht's seakeeper gyro stabilizer ensures remarkable stability, allowing you to anchor comfortably even in challenging swells—a true game-changer for yachts of this size.

The interior exudes sophistication and is thoughtfully designed, making it an ideal yacht for a couple to manage while embarking on extended Mediterranean voyages.

The owner has invested significantly in intelligent upgrades, including a 150-liter-per-hour slim-fit Schenker Watermaker and AGM gel batteries, enabling the gyro to operate overnight without the generator, among other enhancements.

Please note, the tender shown in the images is not part of the sale. The yacht is in excellent condition; simply clean or lightly sand the teak, and you're ready to enjoy the season. Explore yacht sales in the current boat location and seize this chance to buy a yacht that promises luxury and performance.
