OVERVIEW

The 2021 Fairline Squadron is a masterpiece of elegance and power, ideal for both short trips and extended voyages. This yacht for sale is equipped with robust CAT C18-115 engines, renowned for their impressive power and torque. The engines are seamlessly integrated with ZF controls at both the flybridge and main helm stations. With Garmin navigation systems and proportional bow and stern thrusters, this vessel offers unparalleled handling.

The yacht's performance is matched by its opulent design and features. The expansive flybridge boasts a retractable sunroof, multiple seating arrangements, a generous dining area with bench seating, and a wet bar complete with a sink, grill, Isotherm fridge, and ice maker. The Bang and Olufsen sound system enhances the ambiance, making it an ideal space for entertaining.

On the aft deck, you'll find another inviting area for dining and socializing. The deck features a spacious, covered dining section and sliding glass doors that open to the starboard and retract on the port side, providing seamless access to the standing bar, galley, and main salon. These retractable doors create a fluid transition between indoor and outdoor spaces.

Inside, the main salon is a blend of luxury and practicality. The open, modern design features hardwood floors and high-gloss walnut cabinetry, complemented by panoramic windows. The aft galley, connected to the exterior deck via sliding glass doors, is equipped with white quartz countertops, premium Miele appliances, a full-size fridge, microwave/convection oven, cooktop, and dishwasher, ensuring effortless meal preparation and entertaining. A custom dining table with polished chrome legs and seating for six, a white leather sofa, a loveseat, and a large entertainment center with a Samsung TV complete the salon. The lower helm, located forward and starboard, features triple Garmin screens, ZF throttles,

and proportional thrusters.

Descend the contemporary staircase to the lower level, where spacious staterooms await. The central hallway includes a combination washer/dryer for convenience.

The Master cabin, located aft, features a custom headboard with high-gloss wood, mirror, and white lacquer elements. The ceiling combines wood and chrome accents, while plush white carpeting adds comfort. This stateroom includes a king bed, built-in dresser, ample storage, large windows, decorative chrome lamps, nightstands, reading lights, a desk/dressing area with stone counters, a seating area, two closets, a safe, and an ensuite bath.

The forward VIP cabin offers a raised queen bed, high-gloss wood details with chrome accents, upper storage cabinets, skylights, two hanging closets, a full-sized dressing mirror, a TV, and large windows. The ensuite bath features marble floors and counters, a glass walk-in shower, a rectangular window, a mirrored cabinet with storage, an above-counter sink, and under-sink storage.

The starboard guest cabin includes a full-size bed, TV, large window, dressing mirror, and hanging closet, with an ensuite bath. The port-side twin cabin is fitted with twin beds, a window, and a spacious closet.
