OVERVIEW

9X Pershing 2022 - M/Y SHINE

SHINE, a masterpiece of nautical engineering, was launched in May 2022 in the United States. Crafted by an enthusiast with a passion for speed and a legacy of owning Pershing yachts, this vessel was tailored for the U.S. market but is equally adept as a global cruiser. Her adaptability is ensured by an enhanced shore power frequency converter and dual voltage outlets (110v and 220v) throughout.

This 9X Pershing has been lovingly maintained by her owner, boasting top-tier features. As she wraps up her annual servicing, she has received numerous enhancements, making her ready for the summer and a new owner. This 9X stands out as a truly exceptional yacht, one of the finest you will encounter.

SHINE will be showcased at the Palm Beach Boat Show 2025, from March 19th to 23rd. Schedule your viewing in advance.
