Maestro 4 Cabin

Fully Equipped with Premium Upgrades - Current Boat Location: Fort Lauderdale, FL

Attractively Priced for a Swift Sale - Meticulously Detailed - Rigging Inspected - Ready for Adventure

"Sundance" is the highly coveted 4 cabin "Maestro" owner layout. This Saba 50 has been meticulously maintained since its inception, showcasing exceptional care and pride of ownership. Commissioned by the Fountaine Pajot USA Dealer, the owner spared no expense on options or maintenance. "Sundance" boasts luxurious features such as cork decks that provide a delightful touch underfoot. With an abundance of amenities and custom enhancements, she is primed and prepared for cruising adventures right now!

The Saba 50 was awarded "Best Boat of The Year" upon its debut. Since then, this model has consistently received accolades worldwide for its striking design, elegant style, spacious living areas, and remarkable offshore capabilities. Owners appreciate the effortless flow and communication between the cockpit, helm station, and lounge deck, while the expansive salon offers a panoramic ambiance typically reserved for much larger yachts. Thanks to the innovative design by Olivia Racoupeau's team of naval architects, this is the largest Fountaine Pajot catamaran that can be easily handled single-handedly from its unique helm station. The Saba 50 is a stunning and sophisticated sailing yacht that turns heads wherever it sails. Downwind sailing is a pleasure aboard "Sundance," especially with her custom PARA-SAIL. She looks spectacular at anchor, particularly at night, illuminated by her blue

accent deck lighting and underwater lights.
