OVERVIEW

If you are in pursuit of the ULTIMATE Tiara Sovran 4300, your search ends here! This yacht is rated an impressive 9.9 out of 10!

Upon stepping aboard, you will immediately notice the updated canvas. As you make your way to the cockpit, the immaculate condition of this vessel becomes evident. All cushions have been expertly reupholstered, showing no signs of wear. The wet bar area beckons you to relax in one of the two lounge spaces, where you can savor a chilled drink from the refrigerator while enjoying the refreshing breeze from the cockpit's AC system. The Onan 11.5 KW generator ensures you have ample "shore power" whether you're cruising or anchored.

At the helm, you will be captivated by the state-of-the-art Raymarine electronics suite, featuring two Axiom Pro MFDs, digital radar, autopilot, and more. The joystick control for the twin Volvo pods simplifies navigation, transforming any captain into a skilled mariner!

As you glide through the generous sliding door and descend a few steps, you enter a stunning, fully equipped salon and galley area. The floors, walls, and ceilings are all in impeccable condition, reflecting the pride the current owner takes in this vessel.

This space allows the onboard chef to whip up meals or snacks to delight the guests, thanks to the full-size refrigerator, ample counter space, and large sink. Dining can be enjoyed in the cockpit or at the elegant dinette in the salon. For entertainment, a Sony smart flat-screen TV is at your disposal.

Forward of the salon, a door leads to the spacious master stateroom, complete with an ensuite head and separate shower. You'll appreciate the custom "Tiara" soft goods that adorn this space. This stateroom features its own AC system with individual controls for optimal comfort, along with another smart flat-screen TV. Abundant natural light fills the room through multiple hatches in the ceiling and hull.

Aft of the port-side galley, another door grants access to the guest stateroom, which also includes an ensuite head with shower. Sleeping arrangements consist of two twin beds that can be combined to form a large sleeping area. Comfort is ensured with yet another independent AC/heating system. This cabin is tastefully finished with Tiara soft goods as well.

To enhance the atmosphere while at anchor or docked, simply activate the underwater lights to create a captivating ambiance and attract various fish species that are drawn to the illumination at night.

This vessel has been meticulously maintained according to Tiara/Volvo guidelines, utilizing ONLY Certified Volvo Marine service providers. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and elegance!
