OVERVIEW

5 Staterooms / 8 Heads + 2 Crew Cabins (accommodating up to 8 crew)

This exquisitely renovated 101' Knight & Carver Custom Tri-Deck presents a remarkable opportunity for discerning buyers! With three expansive decks and a plethora of enhancements for dining, entertainment, and adventure, you and your guests will enjoy an unparalleled yachting experience. More akin to a luxurious floating residence than a mere vessel, Tortuga is an essential viewing for anyone seeking a vacation retreat, live-aboard, or a sport fishing yacht.

The yacht boasts an impressive beam of 28 feet, full walk-around decks, and 5 generously sized guest staterooms that can host 10-12 guests comfortably. The three vast entertainment decks create the ambiance of a much larger yacht.

Equipped with twin Caterpillar 3412 engines, three generators, two watermakers, and 5,400-gallon fuel tanks, this yacht is perfectly equipped for both short jaunts and extended voyages. Each stateroom features large picture windows, en-suite bathrooms, and spacious showers. The full-beam Master Suite offers a King bed with stunning 240-degree views and opens to a private balcony with an L-shaped settee. The Bridge/Pilot House transforms into a full-beam Captain's Quarters and office, while a separate Crew Quarters with a galley and dining area for 4-6 crew is conveniently located in the bow.

2020-2021 Refit & upgrades include:

New and/or upgraded navigation, communication, and propulsion electronics
